About Us

For international students we have Ayurvedic and Indian Nutrition classes, Tantra study, Veda culture, Tribal culture study.

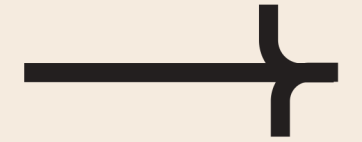

Established in the year 1998,

to skill the talents of North East India in international standard with the latest technology know how and modern industry relevant course curriculum, to have the skills. The Head Centre is situated in the Heart of Guwahati city at Dispur, the capital of the state. Easily communicable by road, air, water and rail, has Comprehensive, diverse, all-inclusive curriculum. It has own parking space, at the main road of Hatigaon road circle, Near Rajdhani Masjid, Behind MLA hostel, Dispur. We provide support in accommodation, internship and placement. Our students have received regional, national and international selection and medals in skill competitions of India Skills, World Skills and other National and International events.

Each beauty school under Signature Group, offers the enrolled students, world-class infrastructure, trainers, curriculum, and overall career support. We make sure that our certified students turn out to be complete professionals, as the program also works on their soft skill communication and personality aspects. When a student completes a professional course through any of Signature Group institutes of beauty and wellness, they come out more confident and motivated to face the challenging world.
